August 2009

We are on the move

by Greg Moreton

Great news for all members is the move of the clubroom from the North Cheam Sports and Social Club to the Elmcroft Community Centre — which offers excellent parking, a lower rental and is just a very short walk along London Road (A24). The map shows the old Sports Centre in the small circle, the new Elmcroft (Comm Cen) in the big circle. The move will take place during the club meeting on August 19.

The change to a new venue has been thought

about — very carefully! — for some time and Elmcroft offers us a number of advantages, not least being the availability of ample secure parking space for demonstrators' vans, plus overflow parking, if needed, in Sainsbury's car park.

Facilities include better storage for our equipment and a much lower rental — an excellent point when we are all faced with rising costs.

I am delighted that this important development has taken place while I am in the chair. I welcome it and look forward to meeting you all at future events..

Here is the new clubroom, on the Sainsbury's complex, on the right-hand side of the petrol station

Help needed

The club has accumulated a large amount of equipment which is stored in the North Cheam Sports and Social Club premises.

THIS HAS TO BE MOVED DURING THE AUGUST MEETING!

While committee members will be doing their best, extra help — even carrying the odd box or two — will be greatly appreciated.

It is hoped that many members will attend this important meeting both to launch the new premises and to give a little (a lot of?) help to the dedicated team of committee members carrying out the move.

Elmcroft Community Centre,
The Colin Peel Hall,
570 London Road,
North Cheam SM3 9AB
