

Meantime Design with Clocks etc for sale & Gregory Moreton makes a pepper grinder from Meantime using a Banksia Nut

January 21st 2004

Reviewed by Gregory Moreton (photos Gregory Moreton)

The chaps from Meantime Design give us a run down on their product range. For more details check out their web site at www.meantime-design.co.uk (sadly since this review Meantime Design have closed down due to the Japanese earthquake stopping supplies)

Greg turns a Banksia nut pepper grinder
