

PLEASE READ THE NOTE BELOW IF YOU INTEND TO VISIT
CHEAMWOODTURNERS WITHIN THE NEXT 2-3 MONTHS.

Thank you.

David Buskell - Website & Communications -Cheam Woodturners

Hello,

We have had notification from Sainsburys today that work on their collapsing perimeter wall will commence on Monday 8th October, 2018. This will mean that we will have restricted car parking spaces for a period of 2/3 months. I suspect that Sainsburys will want the builders to complete the work in the shortest possible time as we approach Christmas. Hopefully we will be looking at 2 months and not 3.

We are yet to have a meeting with Sainsbury's manager, but we have been assured that anyone using the Community Centre and have to park in the store's car park for more than three hours **will not** incur a fine **providing they register their car registration number at the Customer Service Desk inside the store.** However, if you are parking in the evening, please make sure you are parking in the part of the car park that is not restricted after the store's closing time.

On Monday 8th October, 2018 the Centre's **car park will be closed completely** whilst the builders set up their site office and position a 20 yard skip. We have taken this decision for the safety of the Centre's users. We anticipate that this will take most of the day, but should be finished by late afternoon.

We apologise for any inconvenience this may have on your members, but we hope you will understand the reason for doing this.

Regards,

Lesley Snell
General Manager
